Managing Citations through SciWheel

Ariel Pomputius, MLIS

UF Health Science Center Libraries

August 4, 2022

Overview

Why manage citations

What is SciWheel

How to import citations

How to organize citations
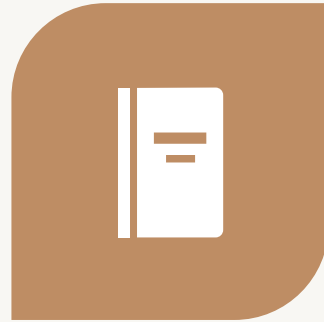

How to cite while you write

Why Manage Citations

What is a citation?

INDICATES ORIGIN OF THE KNOWLEDGE

TELLS WHAT TYPE OF RESOURCE (BOOK, ARTICLE, CONFERENCE PROCEEDING, GREY LITERATURE, ETC)

TELLS OTHERS WHERE TO FIND THE RESOURCE

Why do we manage citations?

01
Track the inspiration and influences for your own research

02
Appropriately reference past research to place your work in context

03
Avoid accidental plagiarism

What is SciWheel?

Comparison of citation management tools

SciWheel

CITATION MANAGEMENT SOFTWARE

AVAILABLE TO ALL STUDENTS, STAFF, AND FACULTY AT UF

BROWSER-BASED, WITH NO DESKTOP VERSION

What can I do with SciWheel?

USUAL FUNCTIONALITY

- Importing references from databases or the web

- Organizing and sharing with colleagues

- Reading and annotating full text

- Easily inserting into documents

UNIQUE FEATURES

- Plug-ins for Google Drive and Microsoft Word
